## Achievements

### Microsoft Engage 2022, Microsoft

My resume was shortlisted in Microsoft Engage 2022, and I was invited to participate in round 1 of the challenge, which I successfully passed, and I was selected to participate in phase 2 of Microsoft Engage.

## Professional Experience

06/2022 – Present	<b>Web Development Intern, Oasis Infobyte</b> At Oasis Infobyte, I worked as a frontend developer. I learned how to work on real-world projects and produce efficient code here.

## Projects

03/2022 – 04/2022	<b>Wordle, C++</b> I created a wordle programme that picks a word at random from a list of words and gives the user six attempts to guess the word. As the user tries to guess the word, the application provides hints about the letters present in the word as well as the letters present in the correct position in the word.
